

THE ASSISTANT SECRETARY OF DEFENSE WASHINGTON, DC 20301-1300

LEGISLATIVE

The Honorable Howard P. "Buck" McKeon Chairman Committee on Armed Services U.S. House of Representatives Washington, DC 20515 MAY - 1 2013

Dear Mr. Chairman:

I write in response to your April 17, 2013 letter to Secretary Hagel requesting a classified version of the Department of Defense (DoD) timeline of the attack on U.S. facilities in Benghazi, Libya.

The Department has made every effort to provide the Committee a comprehensive understanding of the Department's actions before, during, and after the attack in Benghazi. Specifically, the Department issued an unclassified timeline which captures significant DoD actions in response to the evolving situation in Benghazi. This timeline, which is attached, was supplied to Congress on November 9, 2012. The substance of this timeline was publicly released on November 10, 2012. In addition, the Department contributed to the National Counterterrorism Center's classified timeline dated November 13, 2012, previously provided to the congressional intelligence committees, congressional appropriations' defense subcommittees, and House and Senate leadership offices by the Office of the Director National Intelligence on November 14, 2012. The Department did not produce a formal classified timeline, but rather only draft working products to assist witnesses and briefers in preparation for numerous Congressional engagements. By practice, such draft working products are not distributed beyond DoD.

The Department has participated in numerous staff and Member engagements including classified briefings to Committees of jurisdiction. The Department has also responded to dozens of written requests for information in an effort to provide Congress a detailed chronology of the Department's actions surrounding the attack.

The Department remains committed to accommodating Congress in its oversight responsibilities including your investigation of the attack in Benghazi. Please feel free to contact me for any additional information you may need.

Sincerely,

Eguleth Lu King
